

PATERNOSTER SCHOOL LOCAL ADVISORY BOARD.

The Local Advisory Board (LAB) have responsibilities for governance of the school which are delegated to them by the SAND Academy Trust Board of Trustees. The areas of responsibility are set out in a Scheme of Delegation.

The Trustees have appointed a Chair of the LAB to serve for four years. Other members of the LAB are elected (in the case of the staff member and the parent members), hold their position due to their role in the school (headteacher) or are appointed by the LAB themselves.

The LAB does not have any committees, all business being conducted by the full board at its six termly meetings each year.

Details of members of the SAND Academy Trust can be found at [Governance – SAND Academies Trust \(sandmat.uk\)](https://www.sandmat.uk)

Current Members of the LAB.
