

Parent Voice Group

Who we are and what we do

The Headteacher and Parent Support Worker meet with parents who volunteer to be class reps four times a year to:

- foster an active partnership between the home and the school
- improve communication
- act as a 'sounding board' for the School and Local Advisory Board
- suggest whole school improvements
- gather feedback
- gather information from the wider school community and to represent the voice of parents

If you would like a specific topic raised or have any questions, please contact your child's class rep or the Parent Support Worker. Agendas, minutes and current members can also be found on our website.
